

## THIS MONTH'S REPORT

We are very excited to announce that we have added a new manufacturer to our portfolio of brands!

**Donwin Marketing has officially partnered with Plasticade Canada in Ontario, Quebec and Atlantic Canada.**

A leading manufacturer specializing in visibility products that increase safety for the public and workers in construction areas, including: MASH-approved roadway work zone products; recycled rubber traffic and safety products; and innovative signage solutions for business advertising and promotion.

If you would like to set-up an introductory meeting to learn more, please connect with anyone on our team direct!

With our recent expansion into Eastern Canada, we are looking to grow our team!

Look out for an upcoming posting for a **Territory Sales Representative in the Montreal area.**

If you have someone in your network you think may be a good fit, please reach out!

We're attending **STAFDA in Nashville Nov 10-12**, let us know if you are too, and we will schedule some time to meet!

Our attending manufacturers: Armorgard, KESON/SOLA, PIP Canada, Rust-Oleum and ABUS

Did You  
KNOW?

Our Team offers a number of  
different services to our  
Distributor and End-User partners

**Facility Audits, Flooring Consultations** we can provide consultations on flooring projects including; *5S initiatives, line striping, safety walkways, concrete patch & repair and epoxy refinishing projects*

**Lock Out Tag Out** ABUS can quickly turn around custom keyways and chart your system in-house to ensure maximum efficiency!

**PPE Safety Audit** have our team consult on your current PPE program to drive enhancements and cost savings on products head-to-toe

**Work Wear Audit** we are currently offering complimentary wear-tests on our new Bisley brand, reach out to sign-up

**Respiratory** ready to upgrade your respiratory program? We are currently offering a trade-out program on our JSP half-masks

**Hand Protection** time to review? Connect back for a complementary glove audit
