

WE ARE  
HIRING

## THIS MONTH'S REPORT

Our team is enjoying a busy couple weeks before the holidays arrive. We are wishing everyone a great end to 2024 and are looking forward to working together in 2025. Thank you for all your support this year!

With our recent expansion into Eastern Canada, we are looking to grow our team!

We are currently looking to hire a **Territory Sales Representative in the Montreal area**. You can view [our job posting on LinkedIn HERE](#).

If you have someone in your network you think may be a good fit, please reach out!

Reply back here if you are also attending **World of Concrete in Vegas January 20-23**, and we will schedule some time to meet.

Our attending manufacturers: Armorgard, ISOtunes, KESON and SOLA, PIP and Rust-Oleum

We had a great time attending the annual **STAFDA Conference** last month in Nashville. It's always fun to reconnect with our existing Partners and make new connections within the industry!

Looking forward to seeing everyone again in Phoenix next year!

We are incredibly excited to share that we have **expanded our partnership with Permatex!** Effective December 1st, Donwin Marketing will be adding the Industrial and JanSan channels of Quebec and Atlantic Canada to our portfolio. With this expansion, we are excited to grow this brand and our partnerships in this new territory.

# THANK YOU!
