

## THIS MONTH'S REPORT

Happy New Year! We are excited to be starting a new year, and are looking forward to see what 2025 will bring!

Connect with us if you will also be at **World of Concrete** in Vegas this month (January 20-23) and we can schedule some time to meet!

Our attending manufacturers:  
*Armorgard, ISOtunes, KESON and SOLA, PIP and Rust-Oleum*

## UPCOMING EVENTS

We are already getting excited about this years **Canadian Concrete Expo** February 12-23 in Toronto, ON.

We will be exhibiting with:  
*Armorgard, Energizer, ISOtunes, KESON/SOLA, and PIP Canada!*

We continued our Eastern Canada expansion in the month of December, travelling through Nova Scotia.

A big thank you to everyone that warmly welcomed us in *Halifax, Dartmouth, New Glasgow, Sydney, Antigonish and Truro!*

# ISOtunes®

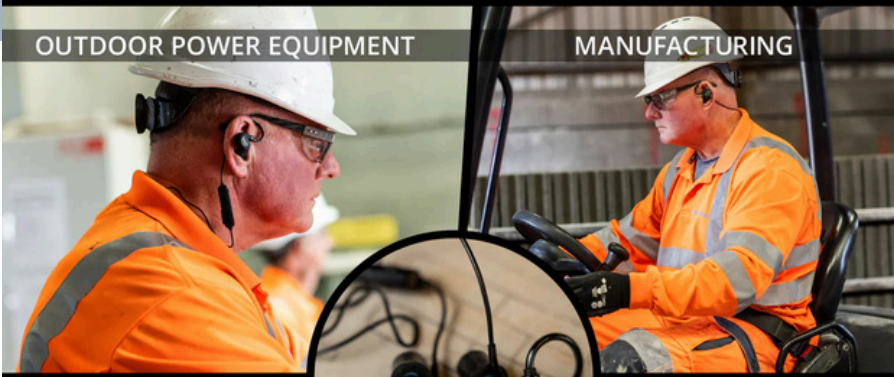

The **PRO 3.0** from ISOtunes is here!

A new and improved version of our best selling model, offering improved Bluetooth and battery life as well as updated USB-C charging port, ear loop redesign and more!

## JANUARY 2025 NEWSLETTER

2024 might be behind us but the cold weather isn't quite yet!

Keep your hands warm and protected with **PIP Canada's** best-selling, touch-screen compatible, A4 cut, winter glove.

Part # GP411417

Reach out for samples or for a glove audit or field test.

We are excited to share something we've been working on: **Donwin Selects**

This new tool will be a **catalogue showcasing the most innovative and popular products from each of the manufacturers that we proudly represent.**

# COMING SOON

Stay tuned for the first drop early next year!
