

## THIS MONTH'S REPORT

### EXCITING ANNOUNCEMENT

Donwin Marketing has been awarded the rights to represent ITW PRO Brands across the Eastern Canadian Market.

ITW Pro Brands offers product solutions to keep operations running. Stay tuned for more updates on this exciting addition to our portfolio including: *LPS*, *Dykem*, *Scrubs*, *Accu-Lube* and *Ruslick* brands!

### TEAM UPDATE

We are thrilled to share that **Dany Hockhousen** has joined our team as a **Territory Representative** overseeing Montreal and the surrounding region.

Dany brings 30+ years of sales experience, with the most recent 17 -years in the construction industry. He is technically inclined with a passion for tools.

Dany is a proud husband and parent to two! He is an avid softball player and manages his local league.

Please warmly welcome Dany to the Donwin Marketing Team!

Our Team was **blown away by our visit to Plasticade** last month in Chicago.

We are incredibly excited about this partnership with Plasticade in the Eastern Canadian market.

If you are interested in learning more about this brand and market opportunity, please connect back with a member of our team!
