

THIS MONTH'S REPORT

We hope that everyone is enjoying the warm start to summer!

We had a great time at this year's **Modern Sales Co-Op Convention and Trade-Show in Calgary, Alberta** last month! Our team got to connect with customers, showcase product from our *Armor-All, Energizer Industrial, PIP Canada & Rust-Oleum* brands, enjoy the city and even get in a little bit of line dancing!

We cannot believe that we are at the one year mark already, sending out our 12th Donwin Marketing Monthly Newsletter!

THANK YOU!

THANK YOU to everyone for following along with us over the past year. We have so enjoyed creating and sharing these monthly updates with you. We appreciate your ongoing support, interest, and feedback, as well as the ongoing opportunity to continue to create and share here with you all!
