

## THIS MONTH'S REPORT

### EXCITING ANNOUNCEMENT

We are excited to share that our longest standing partner **Rust-Oleum Canada** has expanded our territory coverage to include the Industrial channels of **Quebec and Atlantic Canada** to our book of business! We can't wait to connect with our customer base in this territory!

### WE'RE HIRING!

We're on the hunt for a driven and aggressive seller to join us as Donwin Marketing's first ever **End-User Specialist, based in the GTA.**

APPLY  
NOW!

This role will be focused on engaging directly with end users with a specific focus on the construction industry. You'll be the face of our brand—presenting, educating, and creating impact through hands-on demonstrations that show just how game-changing our solutions can be.

Do you have a passion for building relationships, demo'ing new and innovative products, finding solutions for application specific problems and want to push boundaries in the construction industry? If so, we want to hear from you.

Connect directly with Katie or Emma at [katie.cornelius@donwin.com](mailto:katie.cornelius@donwin.com) or [emma.irwin@donwin.com](mailto:emma.irwin@donwin.com) for more information.
