

THIS MONTH'S REPORT

December is here! We are wishing everyone a cozy winter season as we begin to wind down the final stretch of the year. This month (as is tradition), we are taking a break from our regular product highlights to share some memorable moments from 2025. Thank you for being with us, and cheers to what's ahead. Happy (early) holidays everyone!

Dany a récemment représenté ABUS et Donwin au salon CNESST à Montréal. C'était notre première fois à l'événement et nous avons déjà hâte d'y assister à nouveau l'année prochaine!

Le Grand
RENDEZ-VOUS
CNESST

UPCOMING EVENTS

Jan 20-22
World of Concrete
Las Vegas, Nevada

Feb 11-12
Canadian Concrete Expo
Toronto, ON

Donwin Marketing

We enjoyed reconnecting with some of our long-time distributor, manufacturer and agent partners last month at STAFDA, and it was great to meet some new ones as well! We absolutely fell in love with Arizona and can't wait to find our way back there again. Cheers to everyone who contributed to a successful trip, we feel so lucky to get to share our time with so many partners we can also call friends!

A collage of several photographs showing people in various settings, mostly smiling and interacting. The photos are arranged in a grid-like fashion. Overlaid on top of the collage is large, stylized text that reads "THANK YOU! merci!". The text is in a bold, red, bubbly font with a thick green outline. The words "THANK" and "YOU!" are on the top line, and "merci!" is on the bottom line. The background of the collage includes images of people in a kitchen, a person in a car, a person in a lab coat, and a person in a hard hat.
