

## THIS MONTH'S REPORT

Happy 2026 everyone. New year, new membership!

We are pleased to share that **Donwin Marketing has joined the Toronto Construction Association.**

If you are an existing member, or are planning to attend any of their 2026 events, let us know.

We look forward to seeing some familiar faces and making some new connections within the association!

Going to the WOC? Reach out to Katie or Emma so we can connect while there!

*We are excited to see what new and exciting attending Manufacturers are showcasing this year!*

Right before the holidays, we visited our Mississauga warehouse and keying centre to sit down with **ABUS Canada**. We got a sneak peek at the new carded inventory they are bringing in to support our distribution network (you asked, they listened!). Connect if you'd like a display of ABUS product for
