

### THIS MONTH'S REPORT

We are excited to announce that Donwin Marketing has been awarded the rights to **represent Spectra Precision in both Ontario and Quebec!**

*Spectra Precision, a pioneer in the laser industry, delivers reliable and innovative solutions for construction and surveying. Trusted by professionals worldwide, their durable and precise lasers and accessories help maximize accuracy and efficiency on every job site.*

### UPCOMING EVENTS

**May 4-8 Modern Sales Trade Show**

*Showcasing: Armorgard-All, Energizer, PIP Canada Rust-Oleum*

**May 4-8 Construction Safety Week**

**May 25-28 AD Conference**

*Vancouver, BC*

*Representing: Energizer, ITW Pro Brands, Permatex, PIP Canada, Rust-Oleum*

Last Month **we visited Kirkland Lake, Timmins, Sudbury and North Bay** to get Abby, our newest rep connected with our customers in the territory.

*thank you!*

We are SO excited about having a local rep in Northern Ontario for the first time in our 25-year history and want to say a **BIG THANK YOU to everyone who welcomed us warmly!**

**Bruce had a great time representing Energizer, PIP Canada and Plasticade at CIPG's Spring Show last month!**

In honour of **Construction Safety Week**, check out some of most innovated products for this vertical highlighted on the next page..

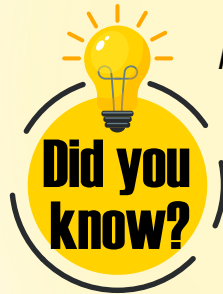

**2 EXCITING OPENINGS TO SUPPORT OUR GROWTH:**

**End-User Specialist**  
*Greater Toronto Area*

**Territory Sales Representative**  
*Ottawa & Surrounding Area*

**APPLY NOW**

# CONSTRUCTION SAFETY WEEK

Traditional hard hats mainly protect against direct impacts, often overlooking angled blows that cause rotational motion, a key factor in brain injuries. **MIPS**® adds a low-friction layer that reduces these forces by allowing 10–15 mm of movement between the helmet and head during the first milliseconds of impact.

STAY HYDRATED THIS SUMMER WITH

**THORZT**  
HYDRATING HARD WORK

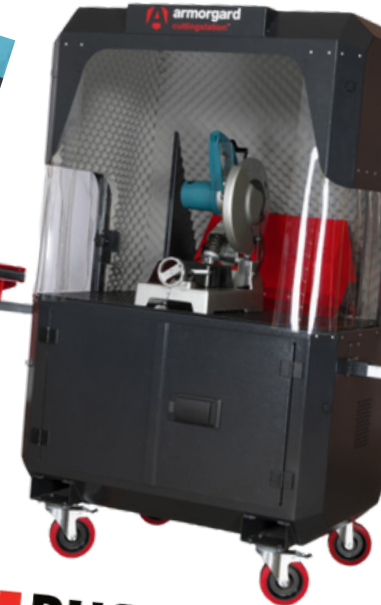

**MAY 2026**  
**NEWSLETTER**

**armorgard**  
ticking every box.
